Note: The above analysis represents the constituent ingredients and relative proportions of the typical product only. Actual constituent ingredients and relative proportions may vary from that outlined above.

Pack Size	20kg Blocks
Average Consumption	
Cattle	4 block per 100 head for 7 days
Sheep	3 blocks per 100 head for 7 days

Also suitable for goats, horses, deer and alpacas.

Replace immediately when consumed.

Note: Average block consumption will increase in highly phosphate deficient areas and with poor quality feed.
